EYELASH EXTENSIONS

Pricing is variable depending on Stylist

Full Set \$180

Lash extensions last through a full growth cycle of natural eyelashes, typically six to eight weeks. That said, because each person's lash growth is somewhat variable (just hair growth), We suggest light lash maintenance every two to three weeks to maintain a full look. Must schedule a consultation 24 hours before service for a patch test to make sure there are no allergies to our products.

EYELASH & BROWS

Pricing is variable depending on Stylist

EYELASH & BROWS

Eye Lash Lift and Tint \$100

Perm and darken your lashes for a beautiful effortless everyday look.

Henna Eye Brow Tint \$45

Henna is a natural ingredient that stimulates hair growth and stain the skin for up to 6 weeks and hair for up to 12 weeks

Brow Lamination \$75

Brow lamination is basically a perm for your brows, as it gives them a set, uniform shape for an extended period of time. Instead of curls, a setting lotion helps brow hair stay brushed up and lifted upward for about six weeks.

FACIALS

Pricing is variable depending on Stylist

A facial is essentially a multi-step skin treatment that is one of the best ways to take care of your skin. A facial cleanses, exfoliates, and nourishes the skin, promoting a clear, well-hydrated complexion and can help your skin look younger. ... A facial is the second most popular spa treatment after a massage

\$250 LI-FT Tattoo Lightening/Removal

What is Li-FT Removal?

Li-FT saline products have recently been developed to remove unwanted pigment from tattoos. This service is done using the same traditional equipment (machine, needles, etc) used in the tattooing process. However, instead of pigment, this saline solution is implanted into the skin. A sterile solution is tattooed into the skin to make the skin reject the pigment.
